Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Measures proposed some claim amendments and asked if any would not require "further consideration and/or search" as After-Final amendments. Mr. Curs said that the proposal to make claim 7 depend from claim 9 would not require further consideration or search. Mr. Curs also confirmed that claim 9 would be allowable if rewritten in independent form including all of the limitations of its base claim and intervening claims, as proposed.
